Hi Dave,

Here is the Division letter directing you to either:

- 1) reclaim the disturbance on state ground by November 1st, OR
- 2) to lease the mineral from SITLA and provide the Division a reclamation surety in the amount of \$7,400. The current \$1,800 is held by the BLM, which may want or need to re-apply the \$1,800 to other permits associated with your statewide bond.

Also included is a past inspection map showing the disturbance on SITLA ground.

The new SITLA person you will need to talk to about leasing is actually our friend Jerry Mansfield. He left the BLM to work at SITLA a few months ago. His number there is [801-538-5153](tel:801-538-5153).

Peter
